Please provide your driving history (past 7 years) including traffic citations and all traffic accidents.

I have completed the above questions and to the best of my knowledge, what has been stated is true.

I understand it is a normal part of the Downey Police Department procedure to perform a background check which includes fingerprinting, a review of the applicant's criminal history, a clearance for current warrants, and driving record checks on the suitability of new personnel due to the nature and sensitivity of the work. Current and previous employers, family members, neighbors as well as the personal references I listed may be contacted to determine my suitability to become a member of the Downey Police Department. In addition, any follow up investigation deemed necessary by the background investigator is authorized on my behalf. By signing below, I acknowledge and consent to such background check.
